

Bouquet for Boss an ed board discuss

high achievign moron from rich fam which didn't hurt him.
A Nazi or two in their background but we've moved on.

and stiff nerdy dem. Bullshit versus boring process.

Spin on dope is that he's homespun,

Yeah, Vill idiot of Wall Street.

sees though
complex formulations and says just the right thing
if left alone. Which he doesn't, and which of course he never
will be anyway.

Spin on stiff?

There is none. What you see. Nothing could be done
because he was the mayor's son.

Tom leher. Funny, but distraction. So we go with the dummy?

a curveball to letters to ed
shriekers that we're democrats commernist or socialists, no
difference.

be speechless. hate spewing holiday

But mostly for us a bouquet to pub who has been needled
at the club for years. And I give him credit.
He never leaned on us to do the righty thing.
So the decis is to support his guy for once.

But...sounds like playing, rather than...

It is.

Capitulation.

That too.

Pandering

A free press takes that risk

Cynuicim?

Corrosive. Not important, like patching the road to Turkey Creek is. So fortunate that it doesn't matter.
Then nothing matters.

Bingo!
